Education at A Glance

All Construction Supervisor license holders are required to complete the appropriate number of mandatory continuing education credits each 2-year cycle. An unrestricted license requires 12 hours of classes, a restricted license requires 10 hours and a specialty license requires 6 hours. Of these credits each must be in the following hours & categories: 4hrs. Code, 1hr. Safety, 1hr. Business, 1hr. Energy & 1hr. Lead Safety (first time only). Specialty license holders require 2hrs. Code, 1hr. Safety, 1hr. Business, 1hr. Energy & 1hr. Lead Safety (first time only). We also offer online classes on our website at [www.hbrawm.com](http://www.hbrawm.com).

Below you will find our Class Schedule that will enable you to complete these requirements. Please note that classes are subject to change.
